Intro to Pelican Wireless System

RSD is hosting an introduction to Pelican Wireless Thermostats and Wireless Controls training. The course provides an overview of the Pelican Zone Controllers. You will learn how to setup gateway, as well as program thermostats, shared schedules, and holidays. This training will show how this exciting new product can expand your sales in commercial building comfort solutions.

SPACE IS LIMITED!

- Thursday, March 28th, 2024
- 8:00am to 10:00am at the Gilbert branch
- Presented by Jamie Gorbenko of Pelican Wireless
