

# New Low GWP Refrigerants Regulations and the Future

State an Federal regulations are now in place to phase down/phase out the use of height GWP HFC refrigerants. These regulations will impact new systems, on going service and retrofits. This class will introduce you to the next generation of A1 - A2L & Natural Refrigerants and their adoption in AC, Heat Pumps, Chillers and Refrigeration.

- Tuesday, April 2nd, 2024
- 12:00pm to 2:00pm at the Monterey Park branch
- Lunch will be provided
- Presented by Gary Parker
- Cost: \$20 per technician / No refunds after March 25th, 2024
