

IntelliGen Refrigeration Controller

RSD is hosting an IntelliGen refrigeration controller workshop with Heatcraft. This hands-on training provides an in-depth insight over IntelliGen's features, benefits, and technical information. It will offer a better understanding of installation guidelines/setup, programming menus, operation sequence, diagnosis, and remote access.

SPACE IS LIMITED!

- Tuesday, April 30th, 2024
- 8:00am to 10:00am at the Boise branch
- Presented by Casey Noonan of Heatcraft
- Breakfast will be provided
- Cost: \$15 per person / No refunds for absentees
